Other Board changes

As planned, with the appointment of Ms Jones, Mr William (Bill) Foster will retire from the Board, effective 30 September 2024.

Carnarvon Chair, Rob Black, commented:

"The Board is extremely pleased to appoint Susan as a non-executive director. Susan's experience will be a valuable addition as Carnarvon continues to drive its strategic objectives. I, and the rest of the Board, look forward to working with her.

I thank Bill for his significant contribution to the Board over the past fourteen years and wish him well in his future endeavours. Bill's depth of industry experience has been instrumental in guiding the Company from an onshore explorer and producer in Thailand, to a founding partner in the Dorado field, Australia's largest undeveloped liquids field.

The Board remains resolutely focused on advancing the Dorado development, preserving existing balance sheet strength and pursuing every opportunity to realise value for shareholders."
